February 7, 2020

Dear Youth Director,

Enclosed are the results of our 24th Annual Grand Prix Youth Bowlers' Scratch Singles Tournament. The competition was really great. Special thanks to Angie Allen for all the tournament preparations, results and making this event happen. Thanks also go out to my onsite tournament staff, Rita Daigle, John and Renella Cormier, Gerald Vedros, Mandi and Devin Legendre, Ed and Ellen Falgoust, Ryne Navarro, Kaylin Miller, Leroy Taylor Sr., Chris and Maria Floyd, and Wendy Poe. I couldn't have made it without you. We also appreciate the work and hospitality of Mike LaCroix, Kim Bogan and the staff at All Star Lanes in Baton Rouge.

This year there were 220 original entries plus 56 re-entries for a total of 276 entries. We continued our regular format with in-league qualifying, which seems to work really well. Again, this year we did allow state direct entries as this has boosted entries. All future format suggestions are welcome. There will be 5 participation points given per bowler in addition to 5,000 place points given to the winners. With the Dr. Pepper Shootout, the points total 7,100 which will convert to \$7,100.00 in the scholarship fund for this tournament.

Please be advised that January 31st was the deadline for new spring registrations and fundraiser money. Please send any money collected or that you may be holding at this time. We are working on registration and fundraising processes now so that we can get the point processing information out on a timely basis.

Stuart
