IN-HOUSE QUALIFIER RULES & STATE DIRECT ENTRY RULES

1. There is no fee to participate in the in-league qualifier. Each league is allowed one two-week qualifying session on Sunday, October 19 through Saturday, October 31, 2015. Any center having a conflict with these dates may use the fourteen days before or after as their alternate qualifying dates, upon submission of a written request to the State Tournament Director.
2. Advancement ratio from league level to the state level is one for every (3) entries in each division, including last place ties. Only Grand Prix participants who bowled league at least 1 of the 2 weeks count as an entry. Pre-bowl and post-bowl scores do not count. In all cases, at least one person per division shall advance if there was at least one entry. To advance additional individuals, the division must have at least 1 entry to the next multiple of 3.
3. Center Directors shall submit the results of the in-house qualifiers along with the state entry fees (see below) to the Assistant State Tournament Director by November 21, 2015 for the center's youth to be eligible for participation at the state level. Names, dates of birth, addresses, phone numbers, and choice of shift time (if applicable) for all state participants shall also be submitted. A copy of the league qualifying worksheet must accompany entries.
4. Bowlers may qualify to the State Eliminations only once. If qualified through more than one league or bowling center, the bowler shall advance from the league where the highest score was bowled.
5. State entrants not wishing to participate at the state level may be replaced by alternates up until 4:00 pm on Monday, January 11, 2016 prior to the elimination round. It will be the responsibility of the league coach to make the substitution based on the order of finish from that particular division of that particular qualifier. The tournament will transfer the entry fee to the new participant and will make no refunds to bowlers who are replaced or do not show to bowl.
6. Bowlers not qualifying through league may enter the State Eliminations directly. The advance entry deadline is December 1, 2015 and the walk-in entry deadline is one hour before the appropriate shift subject to lane availability (cash only). Do not mail entries after January 11, 2016; bring them to the tournament site. The Tournament Director may refuse any and all entries.
